Notes

All trash in ditch lines are not the responsibility of Global Erosion Control, Inc., but Global will clean debris out of the ditch for \$120.00 per hour. Global will not be responsible for doing dig test in ditch lines. The mapping of utilities and boot leg telephone lines or any other kind of utilities is the responsibilities of the Owner.

Option A: Ditches will be cut and road will be reworked and crowned with 2" of gravel to be compacted. Global will not be responsible for culverts or mailboxes.

Option B: Same as above without the gravel. Option B maintenance will be carried out every 2 months for a charge of \$9,000.00 each time. Notice: It will be the responsibility of the owner to notify all residences to
